**SALE**  
**#156**

As always we would like to thank the collectors whose lifelong collections are included in this ad with special appreciation to our former customers who put their faith in us when it was time to sell their lifelong collections. Welcome to our 156th sale containing over \$350,000 of fine collections which as always are sold at WHOLESALe PRICES - UNDOUBTEDLY THE BEST BARGAINS IN THE STAMP INDUSTRY. A special thank you to our collectors for making our last sale one of our very best! We realize that many of our customers are frustrated when they call and learn that many of the lots they wish to buy have already been sold. We suggest you save yourself frustration and order as quickly as possible after you have made your selections. Since the collections sell quickly we suggest you having a list of alternative selections to insure a pleasant buying experience.

As has been our policy for 40 years, satisfaction is absolutely guaranteed and any lot may be returned for immediate refund within 5 days of receipt for any reason - but I must say our return rate is less than 2%, perhaps the lowest in the stamp business. Please call or fax quickly since we generally sell well over 60% of the collections in the first four days. For collectors who are known to us, payment can be spread over a 3 month period interest free.

If interested in selling philatelic properties, please call as we are a ways eager to purchase collections at the highest possible prices. We travel the country and purchases are made in a professional confidential manner with immediate full cash payment at the time of purchase. No collection or accumulation should be considered too large, bulky, or expensive since we buy carloads, households, and dealer accumulations on a regular basis. Many of our best collections are bought from past customers who purchased from us through the years. Since we have limited time to process large lots, all collections are sold intact as purchased with no goodies removed.

Feel free to contact us at any reasonable time, 7 days a week, either to order or to discuss your collection. We are always available to discuss stamp collections 365 days a year. You will find us very comfortable to work with.
